## PRODUCT INFORMATION SUMIMARY

## Anti-IL-12 <br> (Polyclonal Goat)

```
    Purified Polyclonal Antibody Product Number RH120122 0.1 mg
    Biotin Conjugate
```

Product Number RH120122 0.1 mg Product Number RH120122B 50 ug

## SPECIFICITY:

```
Goat polyclonal antibodies to human interleukin 12, produced from highly purified recombinant human IL-12 immunogen.
Antiserum further purified by Antigen-Affinity chromatography, to produce highly specific, high titre preparation.
```

SOURCE: Goat antiserum.

## RESEARCH APPLICATIONS:

Identification of human IL 12 in body fluids and tissue sections.
ELISA: Antibody concentration of $0.3 \mathrm{ug} / \mathrm{mL}(100 \mathrm{uL} / \mathrm{well})$ was used to detect $0.4 \mathrm{ng} /$ well human $I L-12$. Customer must optimize.
For Biotin conjugate use at concentration of 0.2 - $0.3 \mathrm{ug} / \mathrm{mL}$ to achieve detection of $0.2 \mathrm{ng} /$ well recombinant human IL-12.

NEUTRALIZING ACTIVITY: Antibody concentration of $0.02 \mathrm{ug} / \mathrm{mL}$ achieved onehalf maximal inhibition of $0.3 \mathrm{ng} / \mathrm{mL}$ human $I L-12$.

WESTERN BLOT: Antibody concentration of $0.2 \mathrm{ug} / \mathrm{mL}$ was used to detect 1.5 ng/lane recombinant human IL-12 under both reducing or non-reducing conditions.

HANDLING AND STORAGE:
Purified polyclonal antibody provided sterile-filtered and lyophilized in PBS. Reconstitute with 100 uL sterile water. ( For Biotin conjugate, reconstitute with 500 uL sterile water containing $\mathbf{0 . 1 \%}$ BSA). These preparations should be diluted in a proteincontaining or other stabilizing medium to a concentration suitable for use in specific protocols. Contains no preservatives. Small aliquots may be frozen at $-20{ }^{\circ} \mathrm{C}$ for long-term storage. All reagents in a liquid state should be stored at $2-8^{\circ} \mathrm{C}$ when not in use, and are stable for approximately one month without addition of preservative. Avoid repeat freeze-thaw cycles.

## WARRANTY:

Products sold hereunder are warranted only to conform to the quantity and contents stated on the label at the time of delivery to the customer. There are no warranties, expressed or implied, which extend beyond the product label description.

RESEARCH USE ONLY. NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE.
